Digital Highlight and Footage Use Policy
for Participating Member Institutions and Conferences

Digital Highlights Policy

As the NCAA's digital rights holder, Turner Sports owns the right to license digital highlights from the NCAA Div. I Men's Basketball Championship. Turner Sports has partnered with Veritone (formerly known as Wazee Digital) to manage these rights. This policy applies to NCAA member college and university institutions and conferences ("Member Institutions").

For purposes of this policy, "Digital Highlights" are defined as NCAA Championship game or event footage distributed on the Internet or through a mobile application or device (e.g. smartphone, tablet).

Turner reserves the right, in its sole discretion, at any time and for any reason, to modify any or all of the terms hereof, grant any exception to, or waiver of, any term, and/or withdraw permission or amend this policy.

For video footage from all games in the 2022 NCAA Men's Basketball Division I Tournament, Digital Highlights must be embedded from NCAA Digital platforms or licensed from Veritone.

- **From NCAA Digital platforms** – Digital Highlights will be posted to NCAA Digital platforms for all games. Member Institutions may link to and/or embed the NCAA Digital video (from YouTube, Twitter, Facebook, or NCAA.com) on their official websites or social media accounts, when available.
 - Member Institutions may not sell presenting sponsorships or other advertising on their official websites specifically targeted against the links to NCAA.com or the content accessed by the link/video player.
 - NCAA Digital may obligate Member Institutions to add a link or tag mentioning March Madness social platforms to reposted or retweeted content.
- **Licensed from Veritone (formerly known as Wazee Digital)** – Except as set forth in this document, all uses of Digital Highlights must be licensed through Veritone regardless of how such footage is acquired (e.g. team videographer, television broadcast, etc.).
 - **For information on licensing Digital Highlights or other NCAA Men's D-I Basketball Championship footage, please contact Veritone via sports@veritone.com or 866.815.6599**
- For any further questions regarding this policy, please contact school-rights@turner.com

For clarity, this footage is defined as live or on-demand video of non-game activities (e.g. team practice or news conferences) captured in or around the arena outside of the live game window.
