

The Division I Baseball Committee recommended changes to the Rating Percentage Index calculation that will be applied beginning with the 2013 season. The revised RPI formula will value each road victory as 1.3 instead of 1.0. Each home win will be valued at 0.7 instead of 1.0. Here is a look at how each Division I baseball team's RPI would have been affected on May 29th, 2011, the final day of selections.
